## **SightSpeed Receives *Communications Solutions*™ Magazine's "Product of the Year" Award for 2005**

### ***SightSpeed Honored for Outstanding Innovation***

Berkeley, CA-July 12, 2006 — **SightSpeed** announced today that Technology Marketing Corporation (TMC®)'s *Communications Solutions* magazine online ([www.tmcnet.com/comsol](http://www.tmcnet.com/comsol)) has named **SightSpeed** as a recipient of a 2005 Product of the Year Award.

SightSpeed is the award-winning provider of free and premium Internet video and voice communications services (VVoIP and VoIP).

"We appreciate the recognition from *Communications Solutions Magazine*," said Peter Csathy, CEO of SightSpeed. "To be singled out in the emerging personal video category by a publication that has always been bringing new communications technologies to light is a real honor."

"Each year *Communications Solutions* magazine bestows Product of the Year awards on companies that have demonstrated excellence in technological advancement and application refinements. **SightSpeed** has demonstrated to the editors of *Communications Solutions* that their offerings have gone the extra mile to help improve both the customer experience and the ROI for the companies that use them," said Rich Tehrani, TMC President and Group Editor-in-Chief of *Communications Solutions*.

The Product of the Year Award winners for 2005 was published in the May 2006 issue of *Communications Solutions* magazine online ([www.tmcnet.com/comsol](http://www.tmcnet.com/comsol)).

### **About SightSpeed Inc.**

SightSpeed offers consumers and small businesses a complete and compelling suite of IP-based voice and video services that enables them to connect, communicate, market and transact business with friends, family, colleagues and customers around the world. In addition, SightSpeed's innovative services provide users easy-to-use, comprehensive content creation and publishing tools.

An award-winning provider of free and premium Internet video and voice communications, SightSpeed delivers video and voice services over IP, VoIP and

IM messaging; advanced community features including a new public directory and offers users an easy-to-use video messaging platform that provides them the ability to record and post original user-generated content to blogs and websites.

Founded in 2001, SightSpeed is a privately held company funded by The Roda Group, best known for launching the company Ask Jeeves.

### **About TMC®**

Technology Marketing Corporation (TMC) publishes four print publications: *Customer Interaction Solutions*, *INTERNET TELEPHONY*, *SIP Magazine* and *IMS Magazine*. TMCnet, TMC's Web site, is the leading source of news and articles for the communications and technology industries. Ranked in the top 1,400 sites in the world by alexa.com\*, TMCnet serves more than one million unique visitors each month. TMC is also the first publisher to test new products in its own on-site laboratories, TMC Labs. In addition, TMC produces INTERNET TELEPHONY Conference & EXPO, The VoIP Developer Conference, VoIP Demo, IMS Expo and Call Center 2.0 Conference. TMCnet.com publishes more than 15 topical online newsletters. For more information about TMC, visit [www.tmcnet.com](http://www.tmcnet.com). (\*alexa.com is an amazon.com company that ranks Web sites by their traffic levels. Neither alexa.com nor amazon.com is affiliated with TMCnet.)
